Tovenco 9300803

Ultra Slim Led Panel lights består av noggrant utvalda kvalitetskomponenter från specialist tillverkare runt om i världen.

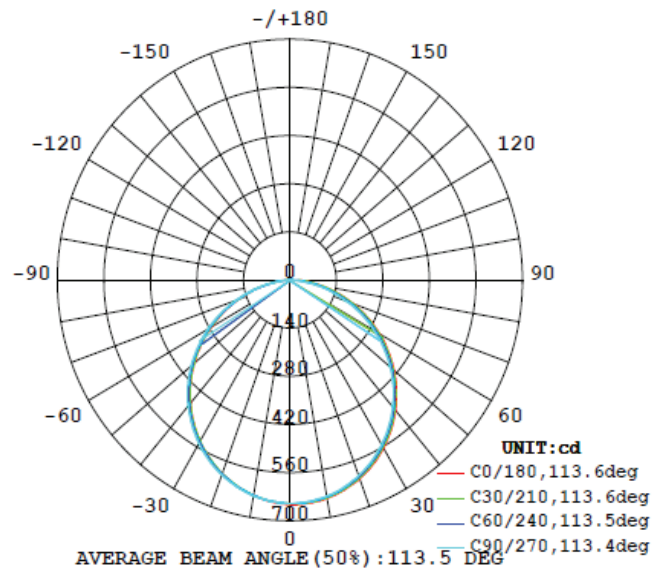

Vilket bidrar till att användandet av Aviation Grade Aluminium 6063 för armaturchassit ger optimal prestanda och garanterar lång livslängd.

Features

- CE, EMC, RoHS certified, LM-80, L70, TUV tested IP-65, Firerate UL94V0
- Lumen efficiency up to 75lm/W
- The driver PFC can be up to 0.95
- Homogeneous light, soft and uniform
- Compatible with Digital dimming (Dali, DSI, DMX), Analogue dimming (trailing edge, 1-10V)

- 5 years guarantee for the panel and driver.

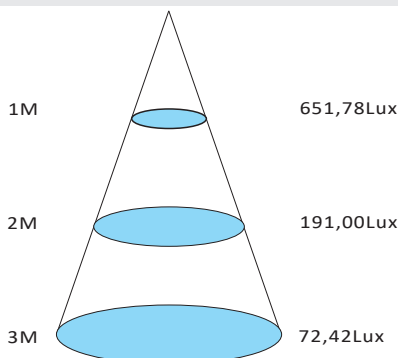

Luminous Intensity Distribution

Specification:

Product Code	9300803
Rated Power	24W
Actual Power	26W
LED Type	SMD 1030
CRI	90Ra
Efficiency	>75lm/W
Input Voltage	85-265 VAC, 50/60Hz
Output Voltage	24-40VDC
Output Current	600mA
PFC	>0.95
Colour Temperature	4000
Luminous Flux	1888 lm 4000K
Beam Angle	120°
Working Temperature	-20°C to +70°C
Lifetime	L70, 100 000h
Protection Grade	IP 65 Indoor use only
Dimensions D/H	240x18mm
Materials	Alu 6063+ PMMA
Finishing color	Brushed nickel
Net Weight	0,8kg
